Winnie-the-Pooh visits Rabbit

Winnie the Pooh went to visit his friend rabbit.

Pooh squeezed through rabbit's door. It was very tight

He ate all rabbit's honey and was fat now. Going out, he got stuck in rabbit's door. He was stuck for a long time

Christopher Robin read him books

Rabbit hung clothes on him.

Pooh slowly became thin.

The animals came and yanked Pooh out. Pooh was very happy. Rabbit was very happy, too.
